ORDER

Simla, the 8th May, 1972

No. Park. Speed-AL/72-840-45.—Whereas I am satisfied that both the places viz cart road areas in front of St. Edward School and the Loreto Convent, Tara Hall from where a road takes off to Kalibari, are very dangerous from traffic point of view because small children specially during the morning hours when they go to school and when the school closes for the day, keep on moving on the road and that it is necessary to restrict the speed of motor vehicles in the interest of public safety and convenience etc. to the pedestrians.

Now, therefore, in exercise of the powers vested in me under section 71(2) of the Motor Vehicle Act, 1939, I. B. B. Tandon, I.A.S., District Magistrate, Simla, hereby fix a maximum speed limit of 10 kilometres per hour in 100 yards area either side on cart road in front of the above-said two schools.

This order shall take effect from the date of its publication in the State Gazette.

B. B. TANDON,
District Magistrate, Simla.
